## Membership

Becoming a Local Industry Partner (soon to be called "Affiliate Member") within the MN Chapter is a rewarding and valuable investment with an easily achievable ROI. Local Industry Partners may connect one representative from their company to the ASID MN Chapter for \$549/year in dues.

ASID Local Affiliate Members and Industry Partners seek to raise the professional level of the interior design practice through participation and support of programs and other activities. Through interactions with ASID professionals, the potential exists for ASID Industry Partners to expand their knowledge of the practice of interior design and increase their share of the marketplace.
